Incident Report

Case # 01-11-002304

All history related information was gathered from CPS records and school reports.

Callout:

On February 18th, 2011 at 2230 hours I received a phone call on my department issued phone from Detective Sergeant Kevin Moran asking for my assistance at [REDACTED] Patrol officers were called to the residence by Child Protective Services after they received word that a child in the home was possibly being molested.

I was told the child had not made a disclosure of abuse to patrol officers or the CPS workers on scene and my assistance was needed to speak to the child to find out the nature of the allegation.

I responded to the residence and I met with Officer Miller, who was standing outside. I did not enter the residence. Officer Miller introduced me to CPS worker Alicia Waskiewicz who spoke to the child prior to my arrival. The child, [REDACTED] told Alicia his foster father Rick Murphy touched his penis on Monday. Alicia did not ask [REDACTED] any details of the alleged offense.

Alicia had made arrangements for all seven children to be removed from the home.

I advised Alicia and Officer Miller that a forensic interview would be set up at a later date and I left the residence.

Forensic interview:

Interview took place on February 23rd, 2011

Present for the interview Paula Hayward, Kerri Gilbertson, Kiki Valdez, and Adam Cordova of Child Protective Services.

CPS had limited information on [REDACTED]'s background. Another foster child in the home, [REDACTED] wrote a letter to Rick Murphy stating [REDACTED] was lying about the allegations so he could be removed from the home and placed with his previous foster father Shawn.

Penny Murphy told the case manager that [REDACTED] told her he was removed from Shawn's home after he made allegations about Shawn's wife sexually abusing another foster child.

[REDACTED] disclosed to Ashley Shaub that Rick began touching his genitals around the New Year holiday and he has been touching him every other day since then. Rick also asks [REDACTED] to rub his feet. [REDACTED] told Shawn about the touching and Shawn told [REDACTED] to tell Ashley.

[REDACTED] told Alicia that Rick has told him "I know how to make you feel good."

[REDACTED]'s interview was recorded and the disc was later impounded as evidence. We watched the interview from the observation room.

The last incident [REDACTED] recalled occurred two days before he moved out. [REDACTED] stated Rick told him he ([REDACTED]) "owes" him. [REDACTED] did not know what that meant. [REDACTED] was in the bedroom lying on his bed.

Incident Report

Case # 01-11-002304

Rick placed his hand inside [REDACTED]'s pants and touched his "privates." [REDACTED] told Rick to get off and Rick told [REDACTED] to be more "subtle." [REDACTED] rolled away from Rick, but Rick pulled [REDACTED] back. Everyone was home when this happened; they were walking around the house and the bedroom door was open.

Jennifer asked if something happened with mouths. [REDACTED] at first declined, but then stated he recalled a time when Rick told him he would "use his mouth" and Rick bobbed his head in an up and down motion. This occurred when [REDACTED] was lying on the brown couch in the living room. During this incident Rick had baby oil on his hands and Rick lifted up a sheet covering [REDACTED]. Rick put his hand inside of [REDACTED]'s pants and "moved" his private. Everyone in the house was asleep and Rick told [REDACTED] if he told anyone, Rick would deny it and no one would believe [REDACTED].

[REDACTED] was asked about the first time something happened. [REDACTED] said it was just after the New Year holiday. Rick went into [REDACTED]'s room and asked [REDACTED] if he wanted to feel good "down there" and pointed to [REDACTED]'s genital area. [REDACTED] said no and Rick left the room.

The next day Rick started touching [REDACTED]'s genitals.

[REDACTED] said he told Shawn several times about the touching, Shawn told [REDACTED] to tell Ashley.

[REDACTED] shares a room with Ricky and [REDACTED] his older foster brothers. The incidents in the bedroom occurred when his foster brothers were not in the room.

The first person [REDACTED] told about the touching was Shawn. [REDACTED] did not tell Penny because he doesn't get a long with her and he thought she would not believe him.

[REDACTED] asked Jennifer if there was a chance he could be placed with Shawn again.

Jennifer ended her interview with [REDACTED].

Phone interview with Rick Murphy:

Rick and Penny Murphy had left several phone messages at my desk asking to be updated on the case.

On February 24th, 2011 I called and spoke to Rick. I captured our conversation with my digital recorder and later transferred the recording to a disc and impounded the disc as evidence.

Rick expressed concern with the placement of his daughters. Rick wanted to speak with me about the allegations as soon as possible so his daughters could be returned home.

Rick was never told about the specific allegations, but he was aware they were sexual in nature.

Interview with [REDACTED] on February 24, 2011:

I made arrangements to meet with Kiki Valdez at [REDACTED] so we could speak to [REDACTED]. The interview was recorded and the recording was later transferred to a disc and impounded as evidence.

We spoke to [REDACTED] in private about two letters he wrote to Rick. [REDACTED] wrote one the day they were

removed and he left the letter in Rick's room. The second letter was written a week later and [REDACTED]'s sister [REDACTED] delivered the second letter to Rick. No one told [REDACTED] to write the letters or what to put in the letters. [REDACTED] wrote the letters because he feels [REDACTED] is lying about Rick "sexually harassing" [REDACTED]. [REDACTED] said he knows Rick would never sexually harass anyone.

[REDACTED] explained sexual harassment means someone does or says nasty stuff to someone else. [REDACTED] denied ever being harassed or seeing anyone else in the home being harassed.

A couple of weeks ago [REDACTED] went to dinner with Shawn and when he came home [REDACTED] told [REDACTED] he ([REDACTED]) was going to get out of the house and Rick was going to get into a lot of trouble.

[REDACTED] wanted to leave the Murphy's house and he called Rick a "dick" after [REDACTED] got into trouble for his grades and he was not allowed to go outside. [REDACTED] did not get along with Penny.

[REDACTED] and [REDACTED] shared a bedroom at the Murphy's. [REDACTED] slept on the top bunk, [REDACTED] slept on the bottom bunk and [REDACTED] slept on the other bed. [REDACTED]'s bedtime was 8:30 [REDACTED] and [REDACTED] went to bed at 10:30. Rick occasionally went into the room to say goodnight when all three boys were in the room. [REDACTED] never saw Rick go into bedroom when [REDACTED] was alone in the room.

[REDACTED] never heard [REDACTED] talk about making up a lie, but [REDACTED] told [REDACTED] that Shawn told him lie so he could get out of the house and Shawn could get him back. [REDACTED] thinks that's what [REDACTED] did to get out of the house.

[REDACTED] described Rick and Penny as cool but strict, but they are fair.

[REDACTED] wants to stay with Rick and Penny until he can move back in with his sister.

I ended my conversation with [REDACTED]

Interview with Shawn Schenkenberger March 1st, 2011:

I spoke with Shawn via telephone. The conversation was recorded and the recording was later transferred to a disc and impounded as evidence.

[REDACTED] never told Shawn that Rick molested him. [REDACTED] mentioned during his last visit with Shawn, which was two weeks prior to the allegation, that he felt uncomfortable at the Murphy's house. Shawn told [REDACTED] to talk to Ashley, and [REDACTED] told him he was not allowed to call Ashley.

Shawn was concerned about [REDACTED] so he called Ashley and asked her to call or visit [REDACTED]. Ashley told Shawn there had to be a formal investigation in order for her to check on [REDACTED] so she told Shawn to call the hotline. Shawn argued with Ashley about calling the hotline, because he did not have any specific allegation.

[REDACTED] told Shawn he felt uncomfortable when Rick asked for foot massages. [REDACTED] never told Shawn he was being sexually abuse. Shawn doesn't know why [REDACTED] said he told him; Shawn would have contacted the police if [REDACTED] made a specific disclosure. Shawn loves [REDACTED] like he is his own child.

Shawn denied that [REDACTED] made any allegations of sexual abuse involving his wife and another foster

child; it is not true. [REDACTED] was removed because he was physically violent with Sandra. [REDACTED] loves his mother and he does not want another mother. [REDACTED] wants a father. [REDACTED] has aggression towards any other woman that tries to instill discipline.

[REDACTED] would love to live with Shawn, but [REDACTED] knows it is not possible because of Sandra. Shawn tries to maintain contact with [REDACTED] on a regular basis.

Shawn thought [REDACTED] may not be telling the truth about Rick to help him be removed from the Murphys, in an attempt to be placed back with Shawn. I asked if [REDACTED] would lie to get back with him. Shawn said [REDACTED] has a history of not telling the truth to get his way.

[REDACTED] never told Shawn he was being sexually abused. Shawn never told [REDACTED] to make allegations against Rick.

I asked about [REDACTED]'s cell phone. Shawn acknowledged he should have asked Rick before he bought [REDACTED] a cell phone. Rick called Shawn two days after he gave [REDACTED] the phone. Rick was upset that [REDACTED] was texting his brother. Shawn apologized for not asking for permission.

Shawn was concerned about [REDACTED] because he doubts the validity of the allegations. Shawn feels [REDACTED] needs professional counseling.

I ended my conversation with Shawn.

Interview with Rick Murphy March 2nd, 2011:

I called and spoke to Rick On March 1st, 2011 and made arrangements for an interview on March 2nd, 2011. I spoke to Rick about the possibility of taking a Computer Voice Stress Analyzer test (CVSA.) Rick wanted to do research on the topic and he was going to let me know.

Interview occurred at the Peoria Police Department; interview room number one, which is equipped with audio/visual recording equipment. The interview was recorded to a DVD which was later impounded as evidence.

Rick researched the CVSA program and he respectfully declined to take the test.

I told Rick this interview was completely voluntary and he was free to leave at any time. Rick agreed to complete the interview.

Family dynamics:

Rick Murphy, Penny Murphy, [REDACTED] (foster), [REDACTED] (legally adopted), [REDACTED] (process of adoption), [REDACTED] (process of adoption), [REDACTED] (process of adoption), [REDACTED] (process of adoption) live in the four bedroom home.

[REDACTED]'s brother [REDACTED] was in the home in 2010 but he was removed after [REDACTED]. The incident was reported, investigated and the crime was unfounded; Peoria Police Report [REDACTED]

had her own room.

█████ was placed with the Murphy's in June of 2010. █████ told the Murphy's that he was removed from Shawn's home because Sandra had an █████ in the home. Rick never asked Shawn about it and he did not verify the story with Child Protective Services.

Rick did not know the truth about █████'s placement until a later time.

Regarding the allegations:

Rick denied touching █████'s penis. Rick also denied suggesting oral sex with █████

Rick has told █████ many times that he needs to be more "subtle." Rick uses that term when █████ had emotional outbursts. █████'s outburst occurred when he didn't get his way.

Rick has used the statement "you owe me" when talking to █████ about repaying money █████ had borrowed from Rick. █████ borrowed money frequently.

All of the children have the opportunity to earn extra money or additional privileges by completing extra chores, helping relatives or rubbing Rick or Penny's feet.

█████ told Rick that he felt uncomfortable rubbing his feet so that task stopped immediately.

█████'s grandmother Paula is a massage therapist and she used to give him back massages. Occasionally █████ would ask Rick for a back rub and Rick used baby oil when he massaged █████'s back. The massages occurred in the living room; it was never secretive and other children were always present.

History with █████:

Rick described █████ as antagonistic, manipulative, and passive aggressive; he lacks respect for women, but he desires a male figure in his life.

Rick feels █████ is lying in an attempt to be placed back with Shawn. Rick feels Shawn spoils █████ with material things.

█████ got into trouble at school the day before he made the disclosure. █████ called another student a "fag" and he was given a lunch detention. Rick had a serious discussion with █████ on Thursday, the day before he made the allegation, about █████'s bad behavior. Rick asked █████ if he wanted to stay with him and █████ said he did. Rick told █████ he needed to work on his behavior, because Rick and Penny are trying to adopt the girls and they did not need the trouble █████ was causing.

Rick told Ashley about the discussion he had with █████ and he stressed the importance of █████ improving his behavior, because he was causing a lot of turmoil in the home.

Rick found out about █████'s phone on New Years Eve when they were at a Suns basketball game. █████ was caught talking to his brother █████ on the phone. █████ had to have permission to speak to █████ because █████ influences █████ to misbehave. █████'s behavior became worse after he had

contact with [REDACTED]. Rick took [REDACTED]'s phone away from him and [REDACTED]'s attitude changed. [REDACTED] told Rick he didn't want to live with him anymore and [REDACTED] threatened to call Ashley about Rick taking the phone away. Rick gave [REDACTED] Ashley's number, but Rick found out later that [REDACTED] never called her.

Rick expressed concern for [REDACTED]'s well being and he was disappointed that [REDACTED] lied and made up allegations against him.

I ended my conversation with Rick.

Conclusion:

[REDACTED] alleged Rick touched his penis every other day beginning New Years Eve. Rick took [REDACTED]'s phone away from him on New Years, which greatly upset [REDACTED]. There is concern about the validity of [REDACTED]'s allegations.

Rick denied all of the allegations.

The facts of this case do not support the crime of molestation of a child.

This case is inactive.

FYI, here are some of the records we have regarding [REDACTED]'s past and recent behavior issues. There are three documents:

1. [REDACTED]'s IEP update from May 2010, about a month before he moved in with us. There was no noted indication of any problem just prior to that placement disruption. I drew attention to the most relevant sections/items with stars/arrows. (see pages 1, 2, 4, 9, 10, 13-16)
2. IEP Update (narrative portion) from Sept. 2010, with key behaviors noted.
3. [REDACTED] t

The [REDACTED] also offered to have herself or another staff member discuss how [REDACTED] has behaved and interacted with students and staff since August. The school's phone number is [REDACTED]

I don't know if you'll have a chance to scan through this material before we meet, but I wanted to be sure you had a copy. I'll bring mine with me.

Sincerely,
[REDACTED]
